

Black Sluice Internal Drainage Board

Job Description – 360 Excavator Operator

Title: 360 Excavator Operator

Reports to: Operations Supervisor

Hours of work: The Board operates a 76 hour nine-day fortnight (i.e. every second Friday is a day off work). Monday to Thursday 7.00am to 4.00pm, Friday 7.00am to 3.30pm with a half hour lunch break. The successful applicant will commence work as soon as possible.

Spine Point: From SP 12 – 15 (ADA Lincolnshire Branch White Book Terms & Conditions)

Salary: From £21,120 to £23,328 2019/20 pay rates, equating to
£1,760 to £1,944 per month at 2019/20 rates

Pension: Contributory Lincolnshire Local Government Pension Scheme available

Role & Duties: The successful applicant will operate a c.18t 360 tracked excavator, with a minimum of 5 years' experience.

Duties to include:

- Weed control of Board maintained drainage channels using cutting basket attachment during the cutting season.
- Desilting, re-profiling of Board maintained drainage channels
- culvert replacement
- pipeline replacement
- other civils projects
- environmental schemes
- rechargeable schemes

Relevant experience of all the above is desirable, the successful applicant will need to be a 'multi tasker', capable with training, to become a valued member of the operational team.

Flexibility is essential for all members of our operations team. Overtime may be required to be worked during the summer growing/cutting season, and also to attend to maintenance at the Board's pumping stations, throughout the year. During periods of prolonged rainfall you must be willing to respond by being available to call out requests.

Location: The team of Land Drainage Operatives are based at the Board's premises on Station Road Swineshead. The successful applicant will be required to live and work within and around the Board's district, please review the Boards web site for further information about our district on www.blacksluiceidb.gov.uk

Applications for this position will close on Tuesday 30th April 2019.
